### About Us

DATAWORLD Pty Ltd is a well established supplier of Computer Hardware and Software, Data & Networking equipment, Audio Visual & Telecommunications equipment, as well as range of Accessories.

We strive to provide discounted quality products to customers throughout Australia, without discounting friendly service and advice.

### ORDER FROM DATAWORLD!

- ✓ We donate \$1 from every order to charity organizations
- ✓ Huge stock holdings!
- ✓ Specialized sensitive freight delivery
- ✓ Great prices
- ✓ Great service and support

At DATAWORLD, we believe that service is defined by attention to detail, industry knowledge, time and cost-saving expertise. We provide exceptional customer service, pricing and our goal is to make your experience hassle-free. We have dedicated sales staff in our office and our simple website has been purposely designed to provide easy access to information, pictures and technical data. We supply a wide range of products to retail customers, corporate organizations, government bodies and education institutions nationwide.

We are an Australian Company for Australian People. Our company is owned by Australians, operated in Australia and our warranty, sales and customer support is provided by Australians.

### Our Vision

Our vision is to build our business by developing strong relationships with our customers based on trust and the right advice. We take serious pride in what we do and never accept that "close enough" is good enough.

### Government

DATAWORLD Pty Ltd is Australian owned and operated, committed to providing support to our Government and Education Departments. We understand about limited budgets and endeavour to deliver great products and services – within budget!

### Benefits

DATAWORLD Pty Ltd is proud to offer the following benefits to Australian Governments and Education Departments:

- \$5000.00 credit payable within 30 days from the invoice date
- Additional credit available upon request
- Priority warranty and replacement
- Dedicated Consultants and Support
- Additional price discounts where possible
- Loyalty Reward Program

## Punch Down Tool

H:84mm W:428mm D:425mm

### Features:

This punch down tool is extremely easy to use and lightweight as well. It cuts wires efficiently, and gets the job done!

**\$15.00** ex GST

## Crimp Tool with Ratchet

For RJ11/RJ12/RJ45 Connectors

### Features:

This crimp tool is applicable for RJ11, RJ12 and RJ45 connectors. It is made from heavy duty metal.

**\$15.00** ex GST

## Impact Tool with Pouch

Installs cabling and work plates

### Features:

This impact tool comes with a carrying case. It is used for the installation of network cabling and work plates.

**\$35.00** ex GST

## Professional Cable Tester

### Features:

- Test CAT 5, 5e and 6 twisted network cable and find issues.
- Check cable sequence
- TDR (time domain reflectometer)

**\$85.00** ex GST

### 5 in 1 Cable Tester

#### Features:

- Tests 5 types of cables: RJ-11, RJ-45, Firewire, USB and BNC
- Tests patch cables and installed wiring
- Tests shielded and unshielded LAN cable
- 600ft. distance

**\$70.00** ex GST

### Multifunction Cable Tester

#### Features Included:

- Tests two types of cables RJ11 and RJ45
- Cable type: UTP, SPT, FTP

**\$25.00** ex GST

### Professional Wire Tracker & Tester

#### Features:

- Trace telephone wire and LAN Cables
- Trace electrical wires
- Verify LAN cable condition
- DC voltage probe
- Bright white LED flash light

**\$70.00** ex GST

### Basic Wire Tracker & Tester

#### Features:

- Ends cable location confusion, decisively rejects noise and false signals
- Locates cable quickly from a distance, even on an active network

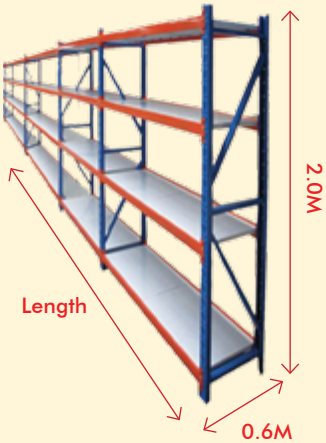

**\$55.00** ex GST

2M HEIGHT  
LONG SPAN SHELVING

- Metal Shelves Included
- Adjustable Shelf Height
- Click-in System
- Free Standing or Fixed to the Ground

**\$118.00** ex GST

### King Pro UPS Line Interactive Modified Sinewave

This UPS is reliable & cost effective with a shallow depth and high power density

#### Features Included:

- Line interactive design
- IEC outlets
- Upsmon Software
- Smart RS-232 communication port

600VA: **\$295.00 ex GST**  
 1000VA: **\$395.00 ext GST**  
 1200VA: **\$445.00 ext GST**  
 2200VA: **\$595.00 ex GST**  
 3000VA: **\$695.00 ex GST**

### Smart King UPS Line Interactive Pure Sinewave

The Smart King provides server grade quality power cost effectively.

#### Features Included:

- Line interactive design
- IEC outlets
- Upsmon Software
- Smart USB communication port

800VA: **\$395.00 ex GST**  
 1250VA: **\$545.00 ext GST**  
 1500VA: **\$745.00 ext GST**  
 2000VA: **\$845.00 ex GST**  
 3000VA: **\$1,245.00 ex GST**

### Vanguard UPS Online Pure Sinewave

The Vanguard series is one of the most versatile on the market and can be customised for just about any scenario.

#### Features Included:

- Serial & USB interface
- Aussie 3 pin outlets
- Upsmon Software
- Smart USB communication port
- LCD Display
- Hot swappable batteries

1000VA: **\$795.00 ex GST**  
 1500VA: **\$1,085.00 ext GST**  
 2000VA: **\$1,445.00 ext GST**  
 3000VA: **\$1,795.00 ex GST**  
 6000VA: **\$2,995.00 ex GST**  
 10000VA: **\$4,845.00 ex GST**

## Powercom Wow UPS Standby Simulated Sinewave

The WOW series UPS is practical and compact suitable for PC and home entertainment systems.

### Features Included:

- USB interface
- 3 x Aussie 3 pin outlets
- Upsmon Software

300VA: **\$65.00** ex GST  
500VA: **\$85.00** ex GST  
850VA: **\$147.00** ex GST

## PowerCom Ebook UPS Standby Simulated Sinewave

The Ebook is one of the most compact UPS on the market today.

### Features Included:

- Serial interface
- 2 x IEC outlets
- Upsmon Software
- Tower or desktop configuration

500VA: **\$89.00** ex GST  
650VA: **\$121.00** ex GST  
800VA: **\$146.00** ex GST

## iCute UPS Standby Simulated Sinewave

Perfect for ultra space conscious customers who still require a reliable protection system.

### Features Included:

- USB interface
- 2 x IEC outlets
- Automatic diagnostics & battery check
- Upsmon Software

300VA: **\$58.00** ex GST  
500VA: **\$65.00** ex GST  
850VA: **\$69.00** ex GST

## Black Knight UPS Line Interactive Modified Sinewave

The perfect power protection for servers and workstations.

### Features Included:

- USB interface
- Australian 3-pin outlets
- Automatic diagnostics & battery check
- Upsmon Software
- Smart RS-232 communication port

400VA: **\$85.00** ex GST

# The Reseller Program

**DATAWORLD Pty Ltd** is proud to introduce Reseller Program.

This program is designed to assist professionals in broad range of IT and Communications industry to provide better support and pricing to their Clients.

Dataworld is dedicated to support Resellers with profitable business proposition that includes products, service, support and promotions.

## Program Benefits:

- Great Margins
- Exclusive Incentives & Promotion Programs
- Low minimum sales volume
- More you sell - higher the margins
- Dedicated Support
- Priority Shipping
- Marketing Support
- And much, much more!

## After Opening a Reseller Account

- ✓ Order online
- ✓ Track and trace your orders
- ✓ Drop ship option
- ✓ View order history
- ✓ Receive reseller updates/promotions

## Best Price Guarantee

**DATAWORLD Pty Ltd** clients always pay the lowest price – BEST PRICE GUARANTEED!

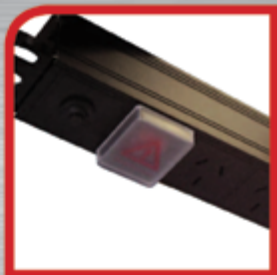

We are confident that our prices are the lowest prices in Australia – we continually check prices to ensure our prices are the best offered by any Reputable Australian retailer on the internet or instore.

We will beat any genuine Australian competitor's advertised price by 5% on same product or product with the same specifications.

It is yet another reason why when you shop at Dataworld you can be assured that you are getting the best shopping experience possible.
